## Auditor's Certification

To the Members of  
The Association of Evangelical Free Churches of Hong Kong

I have audited the financial statements of The Association of Evangelical Free Churches of Hong Kong (Social Services) ("the Association") set out on pages 1 to 10, which comprise the balance sheet as at 31 March 2018, the income and expenditure accounts for the year ended 31 March 2018, and a summary of significant accounting policies and other explanatory information. The financial statements have been prepared by the Executive Committee of the Association based on the financial reporting requirements of the Social Welfare Department, in accordance with the requirements of the Lump Sum Grant (LSG) Manual.

## Responsibility of the Executive Committee for the Financial Statements

The Executive Committee of the Association is responsible for the preparation of these financial statements based on the financial reporting requirements of the Social Welfare Department, in accordance with the requirements of the LSG Manual, and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Opinion

In my opinion, the financial statements of the Association are prepared, in all material respects, based on the financial reporting requirements of the Social Welfare Department, in accordance with of the requirements of the LSG Manual.

The notes on pages 5 to 10 form parts of these accounts

The Association of Evangelical Free Churches of Hong Kong (Social Services)  
Balance Sheet as at 31st March 2018  
(Expressed in Hong Kong Dollars)

**Notes To The Accounts**

**1 General information**

The Association of Evangelical Free Churches of Hong Kong (the Association) is a charitable organization. The Association's registered office and principal place of business are located at 14/F., Cheung Lee Commercial Building, 25 Kimberley Road, Tsim Sha Tsui, Kowloon, Hong Kong.

**2 Basis of preparation and accounting policies**

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standards for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountant. They have been prepared under the historical cost convention.

**Summary of significant accounting policies**

**(a) Revenue recognition**

Revenue is recognized in surplus of deficit provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, as follows:

- (i) Donations received, subventions and members' subscriptions are recognised on cash basis.
- (ii) Interest income is recognized on a time basis, by reference to the principal outstanding and at the interest rate applicable.

**(b) Property, plant and equipment**

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises the following:-

- the purchase price, including legal and brokerage fees, import duties and non-refundable purchase taxes, after deducting trade discounts and rebates;
- any costs directly attributable to bringing the asset to the location and condition necessary for them to be capable of operation in the manner intended by management;
- the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Depreciation is charged so as to write off the cost of assets in the year of purchase except as stipulated.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

**(c) Account receivables**

Account receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of account receivables is established when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of the receivables.

The Association of Evangelical Free Churches of Hong Kong (Social Services)  
Balance Sheet as at 31st March 2018  
(Expressed in Hong Kong Dollars)

**Notes To The Accounts**

**(d) Account payables**

Account payables are recognized initially at the transaction price and subsequently measured at amortized cost using the effective interest method.

**(e) Impairment of non-financial assets**

At each reporting date, property, plant and equipment are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognized immediately in surplus of deficit.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognized for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognized immediately in surplus of deficit.

**(f) Related parties**

For the purpose of these financial statements, related party includes a person and entity as defined below:-

- (i) A person or a close member of that person's family is related to the Association if that person:-
  - (a) is a member of the key management personnel of the Association or of a parent of the Association;
  - (b) has control over the Association; or
  - (c) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (ii) An entity is related to the Association if any of the following conditions applies:
  - (a) the entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others)
  - (b) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
  - (c) both entities are joint ventures of a third entity.
  - (d) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (e) the entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
  - (f) the entity is controlled or jointly controlled by a person identified in (i).
  - (g) a person identified in (i)(a) has significant voting power in the entity.

**(g) Provision and contingent liabilities**

A provision is recognized for liability of uncertain timing or amount when the Association has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of obligation can be made. Expenditure for which a provision has been recognized is

The Association of Evangelical Free Churches of Hong Kong (Social Services)  
Balance Sheet as at 31st March 2018  
(Expressed in Hong Kong Dollars)

**Notes To The Accounts**

charged against the related provision in the year in which the expenditure is incurred. Provision is reviewed at each balance sheet date and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, the amount provided is the present value of the expenditure expected to be required to settle the obligation. Where the Association expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. Expense relating to a provision is presented net of the amount recognized for a reimbursement in the surplus or deficit.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, of which existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

**(h) Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

**8 Accounting Estimates and Judgements**

**(a) Key sources of estimation uncertainty**

In the process of applying the Association's accounting policies, management has made no key assumptions concerning the future, and other key sources of estimation uncertainty at the balance sheet dated, that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

**(b) Critical accounting judgement in applying the Company's accounting policies**

There were no critical accounting judgements in applying the Company's accounting policies.

**9 Reclassification of accounts**

The comparative figures have been re-classified to conform with the current year presentation.
