## **E.F.C.C. 130<sup>th</sup> Anniversary Logo Design Contest** **Rules & Regulations**

### **INTRODUCTION:**

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”  
(Matthew 28:19-20)*

*Then He said to them all, “Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me. (Luke 9:23)*

Gears are created to be connected to utilize their strength. If it once disconnected with each other, it would not be functional. The same theory applies to us as Christians. We live to our full potential only when we grow and connect with each other in Christ.

The Great Commission is a huge task, which needs the synergy generated from different gears while they properly put together. You can be a smaller gear which turns faster; or you can be a bigger gear which generates more force. When we are connected, we can influence the community, the society, and the world.
